SUCCEEDS NOTHING LIKE SUCCESS.

The reason RADAM'S MICROBE KILLER is the most wonderful medicine, is because it has never failed in any instance, no matter what the disease, from LEP-ROSY to the simplest disease known to the human austern. man system. The scientific men of to-day claim and prove that every disease is

CAUSED BY MICROBES,

Exterminates the Microbes and drives them out of the system, and when that is done you cannot have an ache or pain. No matter what the disease, whether a simple case of Malaria Fever or a combination of diseases, we cure them all at the same time, as we treat all diseases constitutionally.

Asthma, Consumption, Catarrh, Bronchitis, Rheumatism, Kidney and Liver Disease, Chills and Fever, Female Troubles, in all its forms, and, in fact, every Disease known to the Human System.

Beware of Fraudulent Imitations. See that our Trade-Mark (same as above) appears on each jug. Send for book "History of the Microbe

Always a favorite with Eastern people, now with A. J. Rutjes as Manager, all may look out for a good season. This resort has greater out for a good season. This resort has greater altitude than any other mountain resort. The fare, of course, with Mr. Rutjes at the head of the tables, will be splendid. Fine sulphur and cool spring water; bracing, invigorating air, refreshing nights, electric bells, moderate rates, &c., are some of the attractions. If you contemplate visiting the mountains this season, by all means go to Haywood.

There's a corset that isn't a corset, a waist with straps for the shoulders and rows of buttons to button on skirts and stocking supporters and so forth-the Ball Waist -and that's about the whole of it. No; you can put it in the washtub-no metal in it or on it.

It is worth your seeing, if for nothing but how to sew on buttons to button easy and never come off, and how to make buttonholes wear for-

Women differ in their ways of thinking and dressing as well as in other ways. This waist is for women whose minds are made up that they won't wear corsets.

There's much to be said on both sides; but did you ever hear of a woman who hadn't made up her mind in some way? and is there any possible use in trying to get her to change it? She will and she will; or she won't

and she won't. You can get the Ball Waist and wear it a week or two or three; and, if you don't want it, bring it back to

us and get your money. W. H. & R. S. TUCKER & CO.
